

Upside Groove Coalition Video Shoot

Where?

The Rave/Eagles Club.

When?

Friday August 22.

What time?

Doors/Sign-in 6:00pm; Action 7:00pm.

What do I need to bring?

Your funky self, your friends and a photo ID.

An ID? How old do I need to be?

18 or up. Sorry kiddies!

How long is the video shoot?

We will be done by 10:00pm, should be earlier.

What will it be like?

Come at 6:00pm and sign in. Hang out with your friends and enjoy some refreshments while getting ready to get your groove on. At 7:00pm Director Jason Williams will call everyone together and talk about the shoot. Taping starts shortly afterwards. There will be a few breaks along the way for chillin' and sippin'.

Can I bring carry-ins?

No, we'll provide some refreshments for you, and there will be a cash bar available.

What should I wear?

Whatever you would normally wear to a concert. If you usually dress freaky, dress freaky, if you're into jeans & t-shirts wear that. Be comfortable.

What do I need to do?

Show up on time, groove along enthusiastically, follow the director's lead, and have a good time.

What does it cost?

Cost?! Why would we charge our friends for showing up to make us look good? It's free to all music fans.
